A Gantt chart illustrating a project timeline from October 6, 2025, to December 8, 2025. The chart is divided into weekly intervals by days of the week (F, S, S, M, T, W, T) and specific dates. The tasks are represented by colored bars: blue, purple, and black. Arrows indicate dependencies between tasks.

The tasks are as follows:

- Task A**: Blue bar starting on 6 Oct 25, ending on 13 Oct 25, with a dependency arrow pointing to Task B.
- Task B**: Purple bar starting on 13 Oct 25, ending on 20 Oct 25, with a dependency arrow pointing to Task C.
- Task C**: Purple bar starting on 20 Oct 25, ending on 27 Oct 25, with a dependency arrow pointing to Task D.
- Task D**: Black bar starting on 27 Oct 25, ending on 3 Nov 25, with a dependency arrow pointing to Task E.
- Task E**: Blue bar starting on 3 Nov 25, ending on 10 Nov 25, with a dependency arrow pointing to Task F.
- Task F**: Purple bar starting on 10 Nov 25, ending on 17 Nov 25, with a dependency arrow pointing to Task G.
- Task G**: Blue bar starting on 17 Nov 25, ending on 24 Nov 25, with a dependency arrow pointing to Task H.
- Task H**: Black bar starting on 24 Nov 25, ending on 1 Dec 25, with a dependency arrow pointing to Task I.
- Task I**: Blue bar starting on 1 Dec 25, ending on 8 Dec.

Weekdays are labeled at the top of each column: F, S, S, M, T, W, T. The x-axis represents time from October 6 to December 8, 2025.
